

Compassion, Care and Respect

The passing of a loved one is a part of life, a process that we each must endure. It is an overwhelming experience and can be a very stressful time. We at Hudson Memorial Chapel treat each family as if they were our own. We assist with the planning of the services and try to alleviate some of the hardship involved with planning the funeral of a loved one.

Each family is different, with different customs and beliefs and we realize that the services planned for a loved one is often the last expression of love. It is also a celebration of their life.

Our Facility and Services

Front Lobby

Our newly renovated facility offers two chapels. The larger can accommodate 100 people while the other holds 35 people comfortably. We also offer private rooms for the gathering of family and friends. Our services include

guidance in making decisions based upon the wishes of the deceased: selection of caskets, urns, flowers, register books and more. We offer assistance in traditional services, graveside services, memorial services, cremation and out-of-town arrangements. Our compassionate staff has over 58 years of combined experience in funeral services and will be ready to assist you with every detail. Our price list is available upon request. A rental casket is available for traditional cremation services.

Main Chapel

Veterans

We also offer services for those who have served our country. We ensure that the military protocol and legal

requirements are met with special prices for our veterans.

Our Complete Traditional Veterans Service includes complete visitation and funeral in the family's place of worship in Dade, Broward, or Palm Beach counties; in our Delray Beach chapel; or graveside.

The family has the option of selecting the casket of their choice, a matching veteran's designed guest register book with special prayer and thank you cards. This package also includes interment at no additional charge in the South Florida VA National Cemetery in Lake Worth, Florida.
